## Invite to look at 30 DHL

### Example 1

This program has truly changed my life, my habits and given me the MOST energy and ended my battle with bloating for good. It's so simple, saves you money, and I know you'd have such success with it! Could I send you more information about it?

### Example 2

I see from your post today that you are someone who is into \_\_\_\_\_ (eating clean or working out) and I wanted to know if you would be open to taking a look at the healthy living program that I've been doing (or that I am just starting)? If not, no big deal.

### Example 3

Hey \_\_\_! I'm so excited I said "YES" to a 30 day reset and I'm looking for someone to do it with me!! Totally random, but I'm really pumped to get back into my jeans that don't fit me anymore and get rid of some of my muffin top! Will you do it with me?? I know if I have someone to do it with, it'll be much more fun and I need an accountability partner to slap the pizza out of my hand! The challenge starts soon, so let me know if you want more info! I'd love for you to do it with me!

Hi Amy! I hope this finds you happy and well. Quick question: I'm looking for 5 people this month to personally coach to the healthiest versions of themselves via our 30 Days To Healthy Living Program- you know it quite well. They get private coaching, group coaching in our private Facebook group, and 40% off the 30-Day pack. Less than \$10.00/day for 2 meals, all beverages & all digestive supplements, free shipping and a free product. I'm reaching out to see if you have any friends or family who would like to try it, even for 1 or 2 weeks? Because you are a consultant, you'll earn \$47.55 on each 30 day order! The best part is, typically they fall in love with some or all of the products and continue to order. That commission will show up in your bank account! Can you think of a few people we can forward info to review?
