## Invite to Event

### Example 1

Hi \_\_\_! It was so nice meeting you on our call the other day! We're having an event next week on Monday night at 7pm and I'd love for you to come with me. You'll be able to learn a little more and also meet some of the other people in Arbonne. Let me know if you can make it and I'll swing by to pick you up!

### Example 2

FOR HEALTHY HAPPY HOUR

Hi \_\_\_\_\_ I'm reaching out to let you know that I've started my own business with Arbonne and I'm having a Healthy Happy Hour 6/8 @ 7:30. We'll be sampling our vegan, non-toxic nutrition and have a celebratory fizz stick toast! It would mean the world to me for you to be there to celebrate with me and learn more! Does that day and time work for you?

### Example 3

FOR FACIAL: Hi \_\_\_\_\_ I'm reaching out to let you know that I've started my own business with Arbonne and I'm hosting an Ultimate Vegan Facial on 6/14 @ 7 pm. It will be self-guided with lots of fun steps like serums and masks! We'll even have a celebratory fizz stick toast! Space is limited, so please RSVP as I want to keep it small and avoid last minute cancellations. It would mean the world to me for you to be there to celebrate with me and learn more! Does that day and time work for you?
