# FAQ

---

## **Q. Who can receive the Promotion and Award Booster incentive rewards?**

- A.** This is a global incentive for all countries. All Independent Consultants are eligible to receive these rewards when they promote to these titles for the first time and meet the qualification requirements. Independent Consultants will only be eligible to participate for new titles that they have not achieved in the past. This incentive is for first-time promotions only. Promotion Booster Packs for DM and AM levels and the New Promotion Booster for RVPs are available to first-time promotees from February 1, 2017, and on. Award Boosters are available to first-time promotees who are currently in their first six months. For example, if you promoted to DM for the first time as of November 1, 2016, you will earn the Award Booster any time you meet the qualifications through May 2017. Note that Independent Consultants must achieve a minimum of 150 Personal Qualifying Volume (PQV) during each month of qualification in order to receive these rewards.

## **Q. Who counts as a new District Manager from my District?**

- A.** Any DM promoted out from your Central District within your first two months as DM will count. For example, if you promote to DM as of February 1, 2020, any DM you promote from your Central District, effective March 1 or April 1, 2020, will count. If you promote a new DM effective the same date as your DM promotion, that will not count. The same applies to all other levels.

## **Q. If I re-promote to a title I previously held in the past, can I earn the Promotion and Award Booster incentive rewards?**

- A.** No, this program is for first-time promotions only. For example, if a District Manager is reassigned to an Independent Consultant title, they cannot earn this incentive for the District Manager Promotion Booster or Award Booster. However, they will be eligible for the incentive upon promotion to Area Manager and above because they have not previously held this title.

## **Q. How will I receive my Promotion Booster gifts?**

- A.** After the reshuffle, when you place a product order to your default ship-to address or will call, your gifts will be included with your order.

## **Q. When I meet the qualifications for my title Achiever Award during my first 6 months at that title, when will I receive the Award Booster amount?**

- A.** You will receive this award for each month that you achieve the title Achiever Award during your first 6 months at that title – that's up to 6 Award Booster payments! Award Booster amounts will be included in the commission/override payment for each month you qualified for the title Achiever Award. For example, if you promote to District Manager as of February 1, 2020, and then you qualify for the DM Achiever Award in March, you will receive your Award Booster in April, which is your payment for your March business.

## **Q. What happens to the Award Booster when I promote to another title during my first 6 months as a District Manager, Area Manager, or Regional Vice President?**

- A.** When you promote to a new title, you become eligible only for the Award Booster applicable to your NEW title. Your previous title Award Booster is no longer applicable, granting you 6 new months to earn the Award Booster at your new title. For example: You promote to District Manager, and during your first 6 months as DM, you promote to Area Manager. You are now eligible to receive the \$200 Award Booster each month you qualify for the first 6 months after your AM promotion, in lieu of your previous DM reward.

- Q. If I finish qualification to promote to another title during my second month as a District Manager, Area Manager, or Regional Vice President, will I still get the Promotion Booster and/or Award Booster reward(s) for my current level if I achieve them that month?**
- A. Yes. Your rewards are based on your title for the month you achieve the rewards, even if you promote as of the first of the following month. For example, if a District Manager promotes to Area Manager within their first two months of being District Manager, and they meet the qualifications for the Promotion Booster and Award Booster at the DM level, they will receive those rewards.
- Q. Where are the details for achieving Qualification and Maintenance for the SuccessPlan levels and title Achiever Awards?**
- A. All these details are provided in the SuccessPlan, located on The Source.
- Q. Do the products that are awarded for earning the incentive have Qualifying Volume (QV)?**
- A. No.
- Q. How can I track my progress for this incentive?**
- A. Log in to [arbonne.com](http://arbonne.com), go to My Office, and view your Qualifying Volume for promotion and title Achiever Awards on your dashboard. There is no separate tracker. However, you can view a report in My Office > My Team > Promotion and Award Boosters.
